Re: Requests for Extension of  
Construction Permit

Dear Former Licensee/Permittee,

This concerns the requests for extension of the Stations' construction permits (Requests), as well as the underlying digital construction permits and licenses for the Stations listed in the attached Appendix (collectively, Stations). On July 28, 2022, we sent you a letter notifying you that we were unable to process the Requests without additional information.<sup>1</sup> We also reminded you about the automatic license cancellation provision of section 312(g) of the Communications Act of 1934, as amended (Act) which provides, in part, that:

“[i]f a broadcasting station fails to transmit broadcast signals for any consecutive 12-month period, then the station license granted for the operation of that broadcast station expires at the end of that period, notwithstanding any provision, term, or condition of the license to the contrary, except that the Commission may extend or reinstate such station license...for any reason to promote equity and fairness.”<sup>2</sup>

We informed you that failure to reply to our letter and provide the information requested therein within 15 days (by August 12, 2022) would result in dismissal of the Requests, automatic forfeiture of the Stations' digital construction permits, automatic cancellation of Stations' licenses, and deletion of the Stations' call signs. No response was received within the requested time period.

<sup>1</sup> Letter from Barbara A. Kreisman, Chief, Video Division, FCC Media Bureau to State of Alaska, et al. (July 28, 2022) (on file at LMS Facility ID No. 62591, as well as all LMS facility pages for the facility identification numbers listed in the Appendix).

<sup>2</sup> 47 U.S.C. § 312(g).

Accordingly, this letter is being sent to inform you that pursuant to section 73.3568(a) of the Commission's rules (Rules) we have **DISMISSED** the Requests for failure to prosecute.<sup>3</sup> Furthermore, pursuant to section 74.788(b) of the Rules the Stations' construction permits **HAVE BEEN AUTOMATICALLY FORFEITED**.<sup>4</sup> Finally, pursuant to section 312(g) of the Act and section 74.731(m) of the Rules the licenses for the Stations **HAVE BEEN AUTOMATICALLY CANCELED**<sup>5</sup> and the call signs for the Stations **HAVE BEEN DELETED**.<sup>6</sup>

For questions or additional information on this matter, please contact Evan Morris, Media Bureau at 202-418-1656 or [Evan.Morris@fcc.gov](mailto:Evan.Morris@fcc.gov).

Sincerely,

/s/
