Re: Change of Primary Station

Audio Division Staff:

This letter is written on behalf of Fusion Radio, LLC ("Fusion"), licensee of FM translator station W277BI, Toledo, OH, to notify the Commission that it has changed its Primary Station as of September 6, 2022 to WPAY (Facility ID: # 40858). WPAY is licensed to Fusion. Signal delivery is direct-off-air.

This change is temporary while W277BI awaits installation of equipment that is needed to permit it to rebroadcast WTOD (FM) HD-2. Once that installation is complete, W277BI will return to rebroadcasting WTOD (FM) HD-2.

Sincerely,

James L. Oyster
Counsel for W277BI
