

K222DH, Delano, CA FAC ID# 202799
AOTS Holdings, Inc.

Justification for Request for Silent STA

K222DH was rebroadcasting KAFY-AM, Bakersfield which was being programmed by a LMA Programmer. When the LMA was terminated, the Programmer ceased programming and turned off power to the translator transmission site which Programmer controlled.

Programming continues on KAFY-AM by the Licensee, but for the foreseeable future the translator will be silent until arrangements for a suitable transmission site for the translator can be made.
