

### **CHARACTER ISSUES**

Pending before the Commission is a license renewal application for the subject station, W232DE, File No. 0000075484. A Low Power FM station, WOWD-LP, licensed to Historic Takoma, Inc., filed a petition to deny the renewal application, alleging among other things that the licensee of W232DE is in violation of the Commission's character policies, an allegation that the licensee disputes.
