LICENSE RENEWAL APPLICATION

Public Inspection File

It is the station's policy to upload new and revised orders to its political file as soon as possible once an order or change has been accepted and processed. An internal audit of the station's political file covering 2020, 2021, and 2022 to date (through September 20, 2022), which was conducted in connection with the preparation of this renewal application, identified five orders placed in 2020 that were not uploaded to the political file within seven days after being placed.

The 2021 children's television programming report was filed one day late, on February 1, 2022, due to a miscalculation of the due date.
