

### **Renewal of License – Adherence to Minimum Operating Schedule Narrative**

DTV America Corporation acquired the license for KPFW-LD, Facility ID: 127891, Dallas, TX pursuant to an assignment of authorization application. The acquisition was consummated on 12/20/2017.

The Assignor was: IGLESIA JESUCRISTO ES MI REFUGIO, INC. The Lead File Number was: BALDTL-20160209ABU. Accordingly, the certifications contained in this narrative cover the period from 12/20/2017 to the present.

The station went silent on 6/25/2019 and filed a Silent Special Temporary Authority (“Silent STA”) request, FCC File Number: 0000075098 on 6/28/2019. The specific reason for the period of silence was the station was diligently building the Displacement Construction Permit, FCC File Number: 0000051621, which was granted on 6/6/2018. HC2 Broadcasting, who was in control of the License, requested the Silent STA to avoid the inefficiency and waste associated with building a second, duplicative broadcast facility that could only be used for a short period of time given the displaced status of the station. Specifically, the station was displaced as part of the repacking process and would have needed to build a separate facility to operate on a new channel.<sup>1</sup> Thus, if required to resume transmission prior to the STA’s expiration date, DTV America would have been forced to build a first facility to operate on the station’s current channel and then, soon after, a second facility to operate on the station’s new channel. The Silent STA was granted on 6/28/2019.

The station resumed operations when it filed a License to Cover, FCC File Number: 00000105767 on 2/11/2020. The License to Cover was granted on 2/11/2021. Since that date, the station has been operating pursuant to its authorized specifications.
