415 NE Silverwood Place  
Grants Pass, OR 97526

SonSong Media provides this exhibit to demonstrate an advancement of an educational program under 73.503(a) of the Rules.

Educational Program:

SonSong Media is devoted to the education of our local community, as we would provide a unique service, not offered anywhere else in our region. Our mixture of inspirational music and spoken word programming is designed to enrich the public.

Implementation of Program:

SonSong Media's educational program implementation would be achieved through the following:

Public Participation:

We would allow members of the community to participate in the radio station to learn all aspects of radio broadcasting, including news gathering, engineering, on-air announcing, public affairs, promotions, etc.

Programming:

Programming aired would be educational in nature:

Public Affairs: Talk shows with attention to issues important to Grants Pass and Josephine County.

Music: Our variety of inspirational music would be unlike anything else found in our area. We would showcase local musical talent, airing artists who aren't heard on other radio stations.
