

Licensee Certification

Licensee understands that any ability to operate in analog on TV channel 6 to provide an FM radio service is subject to an open rulemaking. Any action on the instant request by the Commission will have no bearing on the outcome of that proceeding or the Station's ability to operate in analog on TV channel 6. The Station fully intends to provide a digital TV service and will comply with all applicable rules for doing so.

Executed on September 21, 2022.
