

Online Public Inspection File

Licensee believes that the Online Public Inspection File ("OPIF") of KTBV is substantially complete and that throughout the period of time covered by this application it substantially complied with the FCC's rules regarding the OPIF, although Licensee uploaded copies of its 2020 and 2021 EEO Public File Reports one business day after the applicable deadlines, uploaded its 2015 EEO Public File Report approximately two months late, and uploaded lists of documents referenced in Section 73.3613 of the Commission's rules and copies of certain sharing agreements involving the Station after the applicable deadlines. Licensee also is unable to certify that all documentation required to be uploaded to the station's political file was uploaded in a complete and/or timely manner, although it believes that it materially complied with the Commission's political file rules. Licensee will continue to review its procedures for posting to the online political file and will endeavor in the future to completely comply with the Station's Political File reporting requirements in a timely manner.
