

**Translator Rebroadcast and Operational Status Certifications:**

K13KU-D is operated as a translator station and as such is not required to file an EEO Program Report or EEO Public File Reports. K13KU-D rebroadcasts the signal of commonly-owned station KATN, Fairbanks, Alaska and as a result no written agreements exist, or are required, for such retransmission.

K13KU-D has not been off-air for any periods in excess of 30 days during the current license term except for the period between July 13, 2021 and January 6, 2022, when the station was silent during construction of its final digital facility pursuant to construction permit (LMS File No. 0000151660). Licensee terminated analog operation on July 13, 2021 and requested Silent STA (LMS File No. 0000155772). The station returned to operation in digital and filed a covering license application on January 6, 2022 (LMS File No. 0000178883)
