**Re: Spokane Television, Inc. (FRN: 0004-9372-23)
Station KXMN-LD
Facility ID: 167856
Request to Update LMS Designation**

Dear Mr. Harding:

On behalf of Spokane Television, Inc., licensee of Digital TV Translator KXMN-LD (Facility ID: 167856), we request redesignation of the attached authorization. FCC Licensing and Management System ("LMS") records for this facility indicate that the station is specified as a "Low Power Digital TV" station. Accordingly, the licensee requests that the records be updated to identify the station as a Digital TV Translator for Station KXLY-TV (Facility ID No. 61978).

Please contact undersigned counsel if there are any questions.

Respectfully submitted,

Jonathan E. Allen
