**Subject:** 0000190933 - Mexican Objection

Good morning,

We received a reply from the Mexican government regarding application 0000190933 (KYUM-LD). They objected to the application since it causes interference to XHMEE-TDT in Mexicali.

You have 30 days to amend the application and resolve the issue or it will be dismissed.

Let me know if you have questions.

Mark J. Colombo  
Associate Chief, Video Division  
Federal Communications Commission
