

**Minor CP Modification for W273CN (Facility ID 156144)**  
**License File No. BLFT-20160128BDO ♦ CP File No. 185533**

**NATURE OF AMENDMENT**

This application proposes a minor change to the above-captioned Construction Permit. From the licensed site, it proposes an ERP increase, height reduction, DA modification, and change of Primary Station.

The Technical Statement has been revised accordingly.

No other changes have been made.
