

W277BI, Toledo, OH, FCC Facility ID # 138984
Fill-In Translator Statement

The proposed primary station is WTOD (FM) HD, Delta, OH, FCC Facility ID # 47375.

The map demonstrates that the black 60 dBu f(50,50) contour of W277BI falls entirely within the red 60 dBu f(50,50) contour of WTOD. A retransmission consent agreement exists between the licensees. W277BI therefore qualifies as fill-in service for WTOD (FM).
