

Public File

In preparing its license renewal filing, the Station conducted an audit of its online public file. It determined that the following material was not timely uploaded to the online public file:

- The Issues and Program Lists for 1Q 2013-3Q 2014 were uploaded on 12/01/2014.
- The Issues and Program Lists for 1Q 2015-3Q 2015 were uploaded on 1/05/2016.

Political File

The Station is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two-years, the Station determined that a very limited number of orders were not uploaded within one business day. The licensee provided training for staff responsible for uploading political file material to the online file in March 2020 to reinforce the importance of uploading all political material promptly.
