

### **Request for Silent Special Temporary Authority**

Licensee respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Low Power Television Station.

The specific reason for the period of silence is due to the damaged transmission line. The Licensee is working in collaboration with the local engineer and once the transmission line is repaired, the station will return to licensed operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.<sup>1</sup> In contrast, the STA requested here would be for a period of up to six months.
