

Radio Multiple Ownership

**Modification of: WGHN-FM 221A Grand Haven
 WMPA 226A Ferrysburg**

WGHN, Inc., via two minor change applications, is proposing transmitter site changes for FM stations WGHN-FM Grand Haven and WMPA Ferrysburg. Both of these stations are licensed to communities in Ottawa County, Michigan, which is part of the rated Grand Rapids market.

WGHN, Inc. is also the licensee of AM station WGHN Grand Haven, resulting in a 1AM/2FM cluster within the Grand Rapids market.

The proposed site change for WGHN-FM and WMPA will not alter WGHN, Inc.'s existing station count within the Grand Rapids market. In order to qualify for common ownership of this 1AM/2FM cluster, there must be at least 6 stations in the relevant market. BIA reports that there are 38 stations in this market.

It should be noted that WMPA has been approved in 0000186740 to be assigned to West Central Michigan Media Ministries. Once that assignment closes, then WGHN, Inc. will have only a simple 1AM/1FM combo in this market, which is expressly permitted by §73.3555.
