November 4, 2022

**Request for Silent Authority for KKDJ-LD**

The licensee for KKDJ-LD requests authorization to go silent. The station is installing new equipment at the transmitter facility and will be off the air while resources are used to procure all ancillary materials to go with a new transmission equipment, and to install and test the new transmission equipment. This is anticipated to take a couple of months or more as eligible resources to accomplish the scope of work may only be able to work on this part-time.

Sincerely,

A handwritten signature in black ink that reads "Greg Best, PE". The signature is written in a cursive, flowing style.

President
