

**Certification Regarding Compliance with  
Section 73.3526 of the FCC's Rules During the Preceding License Term**

The Applicant acquired the station on September 1, 2017 pursuant to a long-form application on FCC Form 315, and its certifications only cover the period during which it has held the station's license. Upon review of its Public Inspection File to determine whether documentation required by Section 73.3526 of the FCC's Rules has been uploaded when required,<sup>1</sup> Applicant found that:

- While Applicant retains a list of all documents required to be disclosed under Section 73.3613 in its Public Inspection File, some documents were not added to the station's Section 73.3613 list (or, alternatively, uploaded) within 30 days after execution. An updated Section 73.3613 list was included in the station's most recent biennial ownership report.
- The Quarterly Issues & Programs List ("QIP") for Third Quarter 2018, due October 10, 2018, was uploaded on October 15, 2018, and the QIP for Third Quarter 2019, due October 10, 2019, was uploaded on October 11, 2019.
- The Commercial Limits Certifications for Second Quarter 2018–First Quarter 2019 did not include a list of the programs aired during the quarter that were designed for children 12 years of age and younger. The station has uploaded amended Commercial Limits Certifications to its Public Inspection File.

Applicant will continue to remind station staff of Public Inspection File requirements and upcoming deadlines, will provide additional training to station staff, and will work to implement more robust accountability procedures to enhance the station's compliance with Public Inspection File deadlines going forward.
