

**Certification Regarding Compliance with  
Children's Programming Commercial Limits During the Preceding License Term**

As a standard practice, all programs designed for children 12 years of age and younger that were broadcast on the station were formatted to allow no more than 10.5 minutes of commercial time per hour on weekends and 12 minutes of commercial matter per hours on weekdays. We note, however, that on June 16, 2018, the station inadvertently exceeded the children's commercial limits by twenty seconds. As disclosed in the station's certification for the second quarter of 2018, the program "Miraculous Miss Lady Bug" was formatted with the proper amount of commercial time, but the program ran short and, to avoid a blank screen, master control personnel inserted a twenty second promotion for the CW Upfront to fill the shortage of programming time. We also note that, as reported in the station's fourth quarter of 2018 certification, a commercial for Hot Wheels Super Ultimate Garage was aired on eleven occasions during eight episodes of *Team Hot Wheels* between November 10, 2018 and December 16, 2018.
