Certification Regarding Compliance with
Children's Programming Commercial Limits During the Preceding License Term

As a standard practice, all programs designed for children 12 years of age and younger that were broadcast on the station were formatted to allow no more than 10.5 minutes of commercial time per hour on weekends and 12 minutes of commercial matter per hours on weekdays. There were no occasions during the preceding license term on which these limitations were exceeded. However, as disclosed in the station's fourth quarter 2018 Commercial Limitations Certification, a commercial for Hot Wheels Super Ultimate Garage was aired on eleven occasions during eight 30-minute-long episodes of *Team Hot Wheels* between November 10, 2018 and December 16, 2018. The commercial was pulled from the program immediately after discovery.
