

**Certification Regarding Compliance with  
Section 73.3526 of the FCC's Rules During the Preceding License Term**

Upon review of its Public Inspection File to determine whether documentation required by Section 73.3526 of the FCC's Rules has been uploaded when required,<sup>1</sup> Applicant found that:

- While Applicant retains a list of all documents required to be disclosed under Section 73.3613 in its Public Inspection File, some documents were not added to the station's Section 73.3613 list (or, alternatively, uploaded) within 30 days after execution. An updated Section 73.3613 list was included in the station's most recent biennial ownership report.
- The Quarterly Issues and Programs List ("QIP") for First Quarter 2017, due on April 10, 2017, was uploaded on April 11, 2017.
- Some documentation to demonstrate compliance with Section 73.670 of the FCC's Rules during Third Quarter 2016, due on October 11, 2016, was uploaded on January 10, 2017, and additional documentation demonstrating compliance for that quarter was uploaded on February 12, 2021.
- The Annual Equal Employment Opportunity Report for 2018-2019, due on August 1, 2019, was uploaded on February 1, 2021.
- Some political file materials were not uploaded to the Public Inspection File within one business day of receiving the request for time.

Applicant will continue to remind station staff of Public Inspection File requirements and upcoming deadlines, will provide additional training to station staff, and will work to implement more robust accountability procedures to enhance the station's compliance with Public Inspection File deadlines going forward.
