

**Certification Regarding Compliance with
Children's Programming Commercial Limitations During the Preceding License Term**

A commercial for Hot Wheels Super Ultimate Garage was inadvertently aired on eleven occasions during eight 30-minute-long episodes of *Team Hot Wheels* between November 10, 2018 and December 16, 2018. The commercial was pulled from the program immediately after discovery.

Applicant notes that it omitted reference to this issue in its Fourth Quarter 2018 Commercial Limitations Certification and incorrectly reported that the station did not air programming designed for children 12 years of age and younger during that quarter and in its Commercial Limitations Certifications for the second and third quarters of 2018 and first quarter of 2019. The station did, however, air programs designed for children 12 years of age and younger from May 7, 2018 to March 31, 2019 and has uploaded amended certifications to the Public Inspection File.
