

**Certification Regarding Compliance with
Section 73.3526 of the FCC's Rules During the Preceding License Term**

Upon review of its Public Inspection File to determine whether documentation required by Section 73.3526 of the FCC's Rules has been uploaded when required,¹ Applicant found that:

- Some documents were not added to the station's 73.3613 list (or, alternatively, uploaded) within 30 days after execution. Applicant's most recent biennial ownership report includes an updated Section 73.3613 list.
- The Quarterly Issues & Programs List for Second Quarter 2018, due on July 10, 2018, was uploaded on July 17, 2018, and the Quarterly Issues & Programs List for Second Quarter 2019, due on July 10, 2019, was uploaded on July 11, 2019.
- The Certification Regarding Compliance with the Commercial Limits in Children's Programming for First Quarter 2018, due on April 10, 2018, was uploaded on July 10, 2018.

Applicant will continue to remind station staff of Public Inspection File requirements and upcoming deadlines, will provide additional training to station staff, and will work to implement more robust accountability procedures to enhance the station's compliance with Public Inspection File deadlines going forward.

¹ Applicant notes that the deadlines to file or upload certain documents, including the 2017 Biennial Ownership Report and the various Fourth Quarter 2018 certifications and reports, were extended due to government closures. *See* 47 C.F.R. § 1.4; *see also Revisions to Filing and Other Deadlines Following Resumption of Normal Operations*, Public Notice, DA 19-26 (rel. January 29, 2019).
