The Jacksonville-Rusk area is considered a part of the "Tyler-Longview Market" even though many of the stations in Tyler and Longview do not cover Rusk and Jacksonville. The contour overlap market shown with the attached study based on the city grade contour of KEBE-FM demonstrates city grade service overlaps of at least 15 facilities. Even utilizing the Tyler Longview Market, there are 15 stations. Therefore North Texas Radio Group, LP is in compliance with 73.3555 (a) iii of the Commission's multiple ownership rules. North Texas Radio Group, LP will have one FM and two AM facilities in full compliance of the Commission's multiple ownership rules.
