

FCC Form 314

An application is pending for renewal of the licenses for KTNQ(AM), Los Angeles, CA, one of the stations subject to this license assignment application. The parties hereto respectfully request that the Commission process and grant the instant application, and permit closing of this transaction, even if the license renewal has not yet been granted.

Consistent with the longstanding *Shareholders of CBS* policy, the Commission may process and grant the instant application, which is part of the multi-station transaction, so long as (1) no basic qualification issues against the seller or buyer were raised or, if raised, were resolved favorably, and (2) the buyer explicitly agrees to stand in the shoes of the seller in any renewal proceeding that is pending at the time of consummation of the instant application.^[1] In furtherance of this request, the assignee hereby agrees to succeed to the position of assignor with respect to the renewal of KTNQ.
