

STA Statement

WXYY has suffered a failure of its licensed antenna. WXYY is currently operating from emergency facilities at ASRN 1043968; 32-13-36.7 N 80-50-52.4 W (NAD83) with 8500 watts ERP from a four-bay antenna at 133 meters HAAT. Special temporary authority is hereby requested to operate with these facilities pending repair of the damaged licensed antenna.
