Application for License Renewal

EXHIBIT RE: REBROADCASTS

The Rebroadcast Status and Consent Questions in this license renewal application have both been answered “N/A” because the station that is the subject of this license renewal application does not rebroadcast the signal of a full power television, Class A television, or low power television station. Instead, the station operates as a satellite or repeater of a common studio/control point) and rebroadcasts 100% of the programming originating from such common studio/control point.
