The parties certify that there are 45 or more “home” commercial and noncommercial educational full-power stations in the Portland, Maine, Nielsen Audio Metro market.

The parties further certify that all five of the stations that are the subject of this application (3 FMs and 2 AMs) are “home” to the Portland, Maine, Nielsen Audio Metro market.

In a Metro with 45 or more “home” commercial and noncommercial educational full-power stations, a party may have a cognizable interest in up to eight full-power commercial radio stations, not more than 5 of which are in the same service (AM or FM).

Accordingly, common ownership of the five subject stations (3 FMs and 2 AMs) is permissible under the Commission’s local radio ownership limits.
