Ms. Varner:

The current due date for responding to the items set forth in this Letter of Inquiry is December 7, 2022. I have a surgery scheduled for that day (and December 8), which is more involved than anticipated, and it now appears to make it unlikely I will be in the office December 7, 2022 at all and for an indeterminate part of the rest of the week.

I have spoken with counsel for SDK Franco. On behalf of Centro Cristiano de Vida Eterna and SDK Franco, LLC, I would like to request a 10-day further extension of time in which to respond, until December 16, 2022. That extension would apply to the replies to be filed by both parties.

Your consideration is appreciated. Please contact me if there are any questions.
