

Educational Media Foundation (EMF) has changed the feed signal for licensed translator K270AI Cathedral City, CA, FCC ID Number 88469, to rebroadcast the digital programming of full-power station KLXB-HD2 Bermuda Dunes, CA, FCC ID Number 2316, as received directly off air. The translator is a fill-in of the station. The primary station is not an AM station, and therefore was not part of AMR 2017-2018 windows.

Below is a contour exhibit showing the protected contours of the primary and translator signals.
