

Exhibit for Amendment to License Renewal Application

The instant amendment is being filed to update the Adherence to Minimum Operating Schedule and Rebroadcast Station exhibits. The station began digital operations as KTLO-LD with Commission authority in January 2022. *See* LMS File No. [0000179222](#). The amended license renewal application will not allow an update to reflect the call sign, “KTLO-LD.” There are no other changes.
