## **Engineer Certification**

### **Certification for WBKC Morgantown, IN Antenna Installation**

Dec 14, 2022

This is to certify the installation of the ERI directional antenna for WBKC, model LP-2E-DA-HW was installed in accordance with the manufacturer's detailed instructions.

All work was performed by qualified personnel using good engineering practices and under my direct supervision. FullWave Tower and Broadcast LLC performed all antenna work at this site.

Certifying engineer qualifications:

Cory Wynn, CBT  
Field Engineer II  
EMF Broadcasting  
5700 West Oaks Blvd  
Rocklin, CA 95765
