

Request to Extend Silent STA
Eastern Airwaves, LLC
W284BN, Greensboro, NC
Facility ID Number 155917

Request to Extend Silent STA

The licensee respectfully requests further extension of the Silent STA granted in File Number 20220426AAD. In April of 2022, the station's transmitter began experiencing issues and the station was taken silent.

An extension grant will allow the licensee to continue evaluating the scope of repairs necessary to return the station to licensed parameters.
