Request for Extension of Special Temporary Authority for Operation at Reduced Power

Pursuant to Section 74.763 of the Commission's rules, Scripps Broadcasting Holdings, LLC ("Scripps"), licensee of WGNT(TV), Portsmouth, Virginia (Facility ID 9762), hereby requests extension of the Special Temporary Authority¹ ("STA") for WGNT(TV) (the "Station") to operate at reduced power. On June 29, 2022, Scripps notified the FCC that the Station was operating at reduced power (FCC File Number 0000194155).

Scripps is expeditiously working to return the station to full licensed power. Repairs have been completed, but a part in the antenna combiner, owned by American Tower, that still needs to be replaced before the Station can return to full power on the main antenna.

The Station is currently operating at 75% Total Power Output from the transmitter into an auxiliary antenna.

Scripps requests an additional 180 days to complete the repairs in order to return the station to full, licensed operations.
