

Children's Programming Commercial Limitations Exhibit -Amendment

As disclosed in the station's fourth quarter 2018 commercial limits certification uploaded to the station's online public inspection file, and also noted in the station's 4th Quarter 2018 Children's Programming Report in Question 17, one of the station's programming providers, Sinclair Television Group, Inc. ("Sinclair"), inadvertently included a commercial for "Hot Wheels Super Ultimate Garage" on WNAB(TV) during "Team Hot Wheels." Sinclair included the Hot Wheels Super Ultimate Garage commercial in Team Hot Wheels eleven times between November 10, 2018 and December 16, 2018. Sinclair pulled the commercial from Team Hot Wheels immediately after discovery and informed its affiliate stations, including WNAB(TV), of Sinclair's error.

On September 21, 2022, a Notice of Apparent Liability for Forfeiture was issued against Sinclair, WNAB and other stations that ran the Sinclair programming. *See* NAL/Acct. No. 202241420030. WNAB filed a response to the NAL on October 21, 2022, asking that the Commission defer the issuance of a monetary forfeiture against WNAB until the Commission has acted upon a response to the NAL filed by Sinclair. The WNAB response remains pending.

WNAB is unaware of any additional children's programming commercial limit violations caused by Sinclair.
