

Children's Programming Commercial Limitations Exhibit -Amendment

KXVO(TV) includes its commercial limits certification as part of its response to Question 17 of its quarterly television children's programming report.

As disclosed in the station's amended 4th Quarter 2018 Children's Programming Report (filed on February 1, 2019), and available in the station's online public inspection file, one of the station's programming providers, Sinclair Television Group, Inc. ("Sinclair"), inadvertently included a commercial for "Hot Wheels Super Ultimate Garage" on KXVO(TV) during "Team Hot Wheels." Sinclair included the Hot Wheels Super Ultimate Garage commercial in Team Hot Wheels eleven times between November 10, 2018 and December 16, 2018. Sinclair pulled the commercial from Team Hot Wheels immediately after discovery and informed its affiliate stations, including KXVO(TV), of Sinclair's error.

On September 21, 2022, a Notice of Apparent Liability for Forfeiture was issued against Sinclair, KXVO and other stations that ran the Sinclair programming. *See* NAL/Acct. No. 202241420027. KXVO filed a response to the NAL on October 21, 2022, asking that the Commission defer the issuance of a monetary forfeiture against KXVO until the Commission has acted upon a response to the NAL filed by Sinclair. The KXVO response remains pending.

KXVO(TV) is unaware of any additional children's programming commercial limit violations caused by Sinclair.
