Notification of Suspension of Operations and Request for Silent Special Temporary Authority

NCE Station KSBX(FM), Santa Barbara, CA (Facility ID 33708)

KCBX, Inc., licensee of noncommercial educational FM Station KSBX(FM), Santa Barbara, California, hereby notifies the Commission of the station's suspension of operations and respectfully requests Silent Special Temporary Authority ("STA") in order to maintain the off-air status for more than thirty days.

Station KSBX has been silent since December 29, 2022 because the station has been experiencing increasing ducting interference (believed to be due to climate change) and KSBX is being taken off air while the licensee explores its options. A grant of Silent STA will serve the public interest by authorizing the station's silent status while KCBX, Inc. determines the appropriate next steps for the KSBX license and operations.

KCBX, Inc. is a noncommercial educational licensee and operates KSBX on a noncommercial educational basis. The licensee is therefore exempt from FCC filing fee requirements pursuant to Section 1.1116 of the Commission's Rules, and the facility is exempt from FCC regulatory fees pursuant to Section 1.1162 of the Rules.
