Children's Programming Commercial Limitations**

**Children's Programming Commercial Limitations**

As a standard practice, New Age Media of Pennsylvania License, LLC ("Licensee"), licensee of WQMY(TV), Williamsport, Pennsylvania (Facility ID No. 52075) ("WQMY"), formats all programming broadcast on WQMY designed for children ages 12 and under to allow no more than 10.5 minutes of commercial matter per hour on weekends and 12 minutes per hour on weekdays. During the current license term, and except as disclosed herein, Licensee generally adhered to these limits for commercials aired during children's programming on WQMY. Licensee notes, however, that, as reflected in the Q4 2018 Commercial Limits Certification available in WQMY's online public inspection file (OPIF), WQMY aired a commercial for Hot Wheels Super Ultimate Garage 11 times during 8 episodes of *Team Hot Wheels* between November 10, 2018 and December 16, 2018. That advertising was included in the programming as received by WQMY from its programming provider, and the commercial was pulled from the program immediately upon discovery.
