

Change in Primary Station Input for W229AO

Lehigh Valley Community Broadcasters Association, licensee of W229AO, Facility ID 88255, Fogelsville, PA, has changed the primary input for the translator to WHOL(AM), Facility ID 36987, Allentown, PA.

The primary station change is for a licensed translator facility.

The change applies to all recent and pending applications for W229AO.

The contour map is attached showing the 60 dBu contour of the translator is within the greater of the 2mV/m daytime contour of the AM and/or a 25-mile (40 km) radius centered at the AM transmitter site.

The translator is a fill-in for the AM primary station.

The translator was not granted pursuant to the AM Revitalization Proceeding.
