

### Reason for Silent STA Request

New York Spectrum Holding Co., LLC hereby provides notice that Station WNXV-LD, Ch. 10 (Fac. ID 29233) New York, NY went silent on July 18<sup>th</sup>, 2022. Efforts to implement the modified facilities authorized in Construction Permit LMS 0000178116 are ongoing. Licensee intends to convert to 3.0 and equipment delivery has been delayed. Licensee has a team ready to handle the construction as soon as the lease with the tower landlord is completed and the equipment is delivered. Licensee has a program supplier standing by to supply programming as soon as the station is ready to return to on-air operations.
