WARNING: External Links and/or Attachments!

Good afternoon,

Please see attached and below for the 1st Quarter 2022/2nd Quarter 2022 information for **Go Time**. *There is no change to the line-up.*

I have attached the **Q1 2022 Commercial Load Report**, as well as the producer's letters and series descriptions for the current line-up. This information may also be found at <http://syndication.pathfire.com/shows>, along with the current programming schedules. The programming is fed to you with Closed Captioning, Parental Ratings Icons, and the E/I Icon, which remains on-screen for the entirety of the program content. All **Go Time** programming is Calm Compliant, as well as being Video Described. All programs in **Go Time** are weekly half-hour E/I programs and are primarily intended for children 13-16.

Go Time Line-up through Q2 2022

- Hearts of Heroes
- Rock the Park #1
- Rock the Park #2
- Did I Mention Invention?
- Outback Adventures
- Ocean Mysteries

Hearts of Heroes

Hearts of Heroes showcases the stories of men and women braving natural disasters with one goal: to rescue the victims and help restore their lives. Hosted by meteorologist, Ginger Zee, *Hearts of Heroes* will guide viewers through fascinating weather events while delivering unique takeaways into the causes of many kinds of disasters, as well as how we can properly prepare for them, and collectively overcome them. Each week, viewers will witness first-hand the worst of nature but the best of humanity. *Hearts of Heroes* will take audiences on a journey where they'll experience recent natural disasters such as hurricanes, tornadoes, wildfires, and floods. Viewers will learn more about the causes and science behind these events in a manner accessible and understandable to children 13-16, while witnessing the heroic efforts of first responders across the nation.

Rock the Park

Rock the Park is an awe-inspiring series hosted by Jack Steward and Colton Smith. On a mission to explore every national park in this country, each week Jack and Colton will bring viewers face to face with nature in some of the most amazing

places in North America. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral and marine life. They'll watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will also reach new heights as Jack and Colton embark on their biggest climbing challenge yet – The Grand Teton in Wyoming's Grand Teton National Park. In a manner accessible and understandable to children 13-16, *Rock the Park* inspires all generations to hit the road and find adventure in one of America's amazing national parks.

Did I Mention Invention?

Hosted by Alie Ward, *Did I Mention Invention?* brings viewers fascinating stories of invention while shining a light on everyday innovators in a manner accessible and understandable to children 13-16. With each episode, Alie will present reports of human ingenuity and inspiration from around the United States -- and in some cases, around the world. Viewers will learn about innovators young and old, what it takes to bring their vision to life, and little-known facts about the history and process of invention and innovation. *Did I Mention Invention?* will ignite a spark within the hearts and minds of audiences, encouraging viewers to try their own hand at creating something new.

Outback Adventures

Outback Adventures with Tim Faulkner takes viewers on a journey to learn more about the fascinating wildlife of Australia. Hosted by animal expert and wildlife park operations manager Tim Faulkner, viewers will be provided an eye-opening experience as Tim showcases the beauty and wonder of the natural Australian world in a manner accessible and understandable to children 13-16. Audiences will be brought closer to our Earth's natural beauty than ever before as Tim explores the habitats and adventures of creatures of all sizes. From Tasmanian devils to wombats and wallabies, each week viewers will learn more about Australia's captivating and unique wildlife.

Ocean Mysteries

Ocean Mysteries with Jeff Corwin offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, *Ocean Mysteries with Jeff Corwin* showcases how animals share the same behaviors, challenges, and triumphs that humans do, all in a manner accessible and understandable to children 13-16. From exciting rescues of abandoned animals to unexpected conflicts in the family dynamics of the mingling species, viewers will get to know about these heroes and all of the fascinating wildlife teeming in our oceans.

Thank you and please let me know if you have any questions.
