Application for License Renewal

EXHIBIT RE: SILENT STATUS

Station KZAK-LD, Boise, Idaho ("Station") was silent between October 25, 2021 and February 1, 2022, as it was in the process of implementing an application for minor change (File No. 0000177494). The minor change was implemented on February 1, 2022, pursuant to an application for license to cover (File No. 0000183908) that was filed on that day. During all times that the Station has been on the air, it has provided informative programming to viewers in Boise, Idaho and the surrounding areas.

Accordingly, grant of this license renewal application would be in the public interest because: (a) the Station was off the air only for a short period over the preceding eight-year license term; and (b) during the entire period that the Station has been on the air, it has provided excellent programming to viewers in its community of license and surrounding areas.
