

## KEYE 2022 Community Initiatives

CBS Austin airs a variety of Public Service Announcements (PSAs) in support of important children's issues such as fighting obesity, the importance of staying in school and the importance of exercise. CBS Austin also provides information to educate children on the many careers in the broadcast field and donates to community events benefiting children in our area. The on-going coronavirus situation continues to impact our well-established routine of in-school presentations (Weather Talks, Career Fairs, etc). However, our Creative Director Steve Harris and Promotion Producer Ryan Sullivan participated in the Role Model Fair at Campbell Elementary School on May 23rd as a part of the AISD "I Can Project". Additionally, the CBS Austin Community Partner for May 2022 was Candlelight Ranch. Candlelight Ranch is a charitable organization that serves the needs of children and families in a natural Hill Country environment. The types of children served include those with physical challenges, emotional and behavioral challenges, economically disadvantaged, intellectually delayed, developmentally delayed, at risk of educational or socio-economic failure, and/or are enrolled in special education classes (see attached letter). Also, the CBS Austin Community Partner for June 2022 was the Comfort Crew for Military Kids. The Comfort Crew for Military Kids is one of the few non-profit organizations that works directly with children who have been separated from a family member who is serving our country in the armed forces. Comfort Crew provides the support and resources needed for those children (over 500,000 in the past ten years) who are dealing with the challenges and transitions associated with growing up in a military family: being separated due to deployments, reconnecting after a time of separation, having a parent return with a visible and/or invisible injury, or experiencing grief over the loss of a family member.

CBS Austin airs a variety of Public Service Announcements (PSAs) in support of important children's issues such as fighting obesity, the importance of staying in school and the importance of exercise. CBS Austin also provides information to educate children on the many careers in the broadcast field and donates to community events benefiting children in our area. In the 3<sup>rd</sup> quarter of 2022, for the ninth year in a row, CBS Austin and Telemundo Austin distributed student backpacks and school supplies to area families in need. Working in conjunction with the non-profit *CARY 4 Kids*, we distributed over 2,700 free backpacks. In addition, a few hundred backpacks/supplies kits were set aside and donated to *Pop Up Birthday*, *Child Services*, *River City Youth Foundation* and *K.I.P.P. Public Schools*. Also in third quarter our dual-station community service initiative, the Community Partner Program, promoted the services of non-profits *Hope Alliance* and *Half Helen* -- two organizations whose services benefit the youth of Central Texas. *Half Helen* serves area youth through preventative vision screenings and assistance with vision challenges, and *Hope Alliance* serves youth through various domestic violence resources.

CBS Austin airs a variety of Public Service Announcements (PSAs) in support of important children's issues such as fighting obesity, the importance of staying in school and the importance of exercise. CBS Austin also provides information to educate children on the many careers in the broadcast field and donates to community events benefiting children in our area. Additionally, on November 14<sup>th</sup>, CBS Austin meteorologist Avery Tomasco conducted a "Weather Talk" for elementary students at Winn Montessori School (AISD). Also in the 4<sup>th</sup> quarter, CBS Austin participated in the 50<sup>th</sup> Annual Blue Santa Toy Drive to collect and distribute Christmas toys and meals to area families in need. For the first time, CBS Austin partnered with Walmart in 2022 to provide a venue for the drive, ultimately filling 22 large Santa's boxes with new unwrapped children's toys. CBS Austin employees also contributed 75 hours of time to the delivery of Blue Santa items.
