

Educational Media Foundation (EMF) has changed the feed signal for licensed translator K235DB Mena, AR, FCC ID Number 22395, to rebroadcast the analog programming of full-power station KLFH Fort Smith, AR, FCC ID Number 89309, as received directly off air. The translator is not a fill-in of the station. The primary station is not an AM station, and therefore was not part of AMR 2017-2018 windows.

Below is a contour exhibit showing the protected contours of the primary and translator signals.
