RE: Georgia Public Broadcasting – Woodbine, GA Site  
Installation of 3 Bay Antenna for 90.3 MHZ

I certify that the antenna titled: *ANTENNA - FM DCR-H3E, 3-BAY CIRCULARLY POLARIZED, FULL WAVELENGTH SPACED ANTENNA FOR 90.3 MHZ. DESIGNED PER C-07007* antenna has been installed pursuant to the manufacturer's instructions.

This document is separate from the licensed surveyor's certification of the antenna's orientation.

The installation was supervised by Mr. Tracy Singleton of United Tower Company, LLC. Tracy has been employed by UTC since 1979, and served in the capacity of President/Owner for the past twenty-three (23) years. Tracy has performed and supervised numerous installations.

Danny L. Tillery

A handwritten signature in blue ink, appearing to read "Danny L. Tillery", is written over the printed name and title.
