

LICENSE RENEWAL EXHIBIT

In preparing its license renewal filing, the station conducted an audit of its online public file and determined that the following material was not timely uploaded to the online public file:

- 2Q 2015 Children's Programming Commercial Limits Certification was uploaded on 10/7/2015;
- 1Q 2016 Children's Programming Commercial Limits Certification was uploaded one day late on 4/12/2016;
- 2Q 2015 Issues Programs Report was not uploaded;
- 1Q 2016 Issues Programs Report was uploaded one day late on 4/12/2016; and
- 2019 EEO Public File Report was uploaded on 1/17/2023.

Station WKTV has located the 2Q 2015 Issues Programs Report in its internal files and has attempted on multiple occasions to upload it to the online public file. However, due to on-going technical issues with the online public file, the station has been unable to do so.

Station WKTV is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two years, the station has determined that some orders were not routinely uploaded within one business day. Station management has implemented corrective measures to ensure that political material is now uploaded within one business day from a request for time.
