

Other Authorizations of Assignee and Attributable Parties to Assignee

Neither the Assignee nor attributable parties to the Assignee have current attributable interests in any U.S. broadcast stations.

Note that the Assignee and its affiliates are submitting simultaneously to the Commission applications for consent to the assignment of the authorizations for the following full-service and FM translator broadcast stations (for which joint review and approval by the Commission is requested, as the proposed acquisitions are part of a single Asset Purchase Agreement among the parties):
