

**Request for
Special Temporary Authority**

KVHC-LD, Kerrville, Texas (“Station”) seeks authority to operate with reduced power, as the Station’s new transmitter is not operating properly. The licensee, 5GTV, LLC, is in the process of determining solutions, and will advise the Commission when the Station is able to resume operations pursuant to the terms of the Station’s license.

In the meantime, grant of this request is in the public interest as it will allow the Station to remain on the air, serving viewers in Kerrville/San Antonio and the surrounding areas with programming.
