

## AMENDMENT

This amendment is being submitted to denote error on the original renewal application. On the original renewal application two attachments were submitted as follows:

KVFS-LP Current Silence.pdf

KVFS-LP Silent STA Period.pdf

The second attachment correctly noted that during the license period that the station was on Silent STA 10/17/2013-10/15/2014 and 08/23/2018-02/20/2019. However, the first attachment accidentally was a copy of the second attachment. The second attachment was supposed to read:

Facility went on Silent STA 01/27/2021.

However, since the time of submitting the license renewal application, the facility returned to air 01/26/2022. Attached to this renewal are added attachments:

Resumption of Operations

FCC acknowledgement of Resumption.

Furthmore, the question on this application <**Silent Station \* Licensee certifies that the station is currently on the air broadcasting programming intended to be received by the public.**> has been changed from "No" to "Yes" because the station is currently on the air.
